

# MANUEL MONTOYA

SR. WEB DEVELOPER & CLOUD COMPUTING ADMIN

## Profile

Experienced Computer Engineering Graduate with over 7 years of dynamic involvement spanning the entire software development spectrum. Proficiently adept in navigating the intricacies of CMS platforms like WordPress, leveraging the power of Cloud Computing, and seamlessly integrating diverse technology and software solutions.

My professional journey is marked by successful initiatives in driving digital transformation and the strategic implementation of agile methodologies across software development projects, new business ventures, and innovative sales channels.

I am characterized by an unwavering positive attitude, a proactive commitment to personal growth, and a proven aptitude for tackling intricate challenges head-on.
